BUILDING DEPARTMENT FENCE/WALL/DRIVEWAY PERMIT APPLICATION

INSTRUCTIONS

- The attached application is to be used for FENCES, WALLS, AND DRIVEWAYS.
- Fence applications must be accompanied by a survey of the property indicating the location of the proposed fence and the height of the proposed fence; assessor's verification; and fence specifications.
- Wall applications must be accompanied by a survey; assessor's verification; a site plan; and any wall 4 feet or higher need engineering drawings.
- Driveway applications must be accompanied by a survey of the property; assessor's verification; a site plan; and a Land Development Application (if applicable).
- Application fee of \$50 is required; permit fees are based on cost of construction; and a CC of \$75 fee is required.
- All permits will receive a Certificate of Compliance after passing a Final Inspection.
